## Help your teen transition to high school

CHARLES S. RUSHE MIDDLE SCHOOL > SUNLAKE HIGH SCHOOL

✓ Stay Connected - check the website regularly for updates and information - [www.slhs.pasco.k12.fl.us](http://www.slhs.pasco.k12.fl.us).

✓ Follow us on Twitter @slhsprincipal.

✓ Be Involved - your teen values your presence and time more than he will say. Attend games, open houses, and events.

✓ Encourage a club or extra-curricular activity to build a bond with school.

✓ Contact teachers and guidance counselor by email with any questions.

Students are required to take one course online to graduate. This may be done as part of their day or in addition to their class schedule. See counselor for options.
