*Using AXIS 360 App to Check out eBooks!*
Using BLIO App to Read eBooks!

1. Download the **Axis 360 and Blio Apps** on your device.

2. Open **Axis 360,** find **Charles S. Rushe Library**, log in with your **student ID number**. *(Teachers log in with email (all before @)*
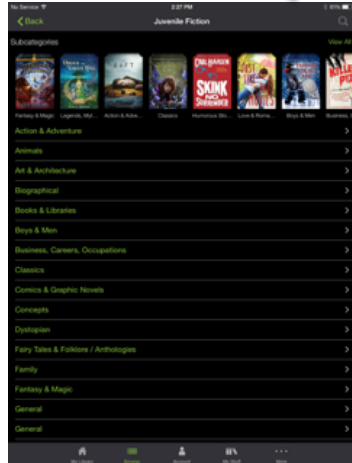

Go to the **Magic Wall.**

Magic Wall

Click **browse** to search for books you may like.

3. **Browse** the collection and **select** a book you want to checkout.
   You can search a specific title by **typing in the information** and **clicking**
   magnify**.**

Genres to
Preview.

4. Once you have found a book you want **click on** it.

5. If the book is available for checkout, click on **the green checkout bar**.

(If the book is not available, you will see a Place Hold button, click on that button to place a hold on the book.)

6. Once you click on checkout, you will see Checkout in **Blio**. PDF, or ePub. For reading a book in Axis360 select **Blio—Please create an account.**

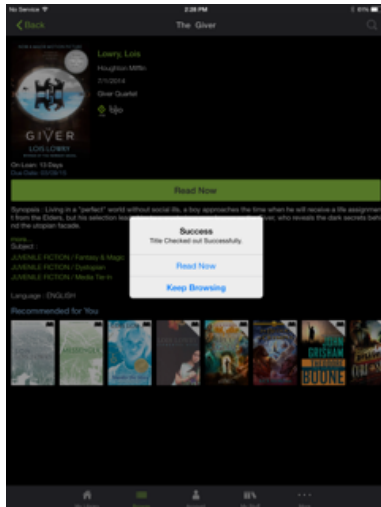

Check out in **Blio.**

Note: If student does not have an email, he/she can use a non-active gmail account available through district. The convention is student#@gmail.com, example 12345@gmail.com
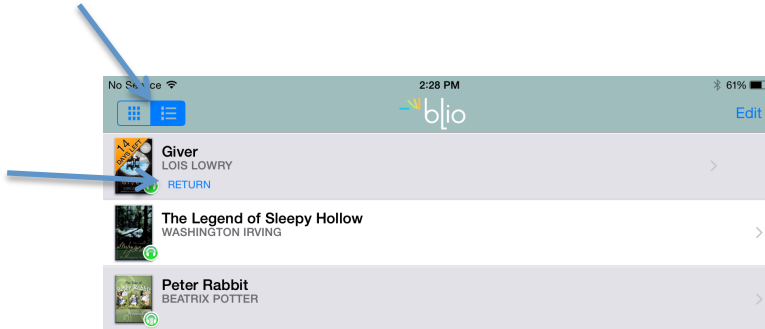

7. You will then see a message that your book has been successfully checked out. Click on **Read Now** and it will take you directly to the **Blio Bookshelf** to read your book.

Read now

8. When you are ready **to return** your book, **click on the library** (Blio) and then click on **return**. Books will automatically return after two weeks.

Update 4/1/15

9. Click **OK** and the book will **return**.
