How Can You Help Monitor Your Student's Progress @ CSRMS?

Be Positive = Help your child to maintain a “can-do” attitude!

Be Prepared = Help by checking their planner, help by monitoring completion of homework, and by cleaning out their backpack on a weekly basis

Be Prompt = Remind your student(s) that passing is for walking to their next class, not for hanging out with friends.

Be Committed to Quality = Help your student to always do their best & check work before handing it in for a grade

Be Present = Remind your student that you will be with them for the next three years and that you are committed to their success by monitoring both their grades as well as their communications with their friends/schoolmates

MyStudent -

Preferences allow parents and students to receive communication via email/text message when grades have been entered or when grades fall below a specified level.

- **Students and parents can establish their own account**
- **Students must register at the beginning of each school year**
- **In order for students/parents to register, you will need the following information:**

Electronics Policy

These rules are specific to common areas such as cafeteria, hallways, bathrooms, locker rooms, track, bus and car loop, etc.

Students are responsible for their own devices. Do not lend your phone or borrow a phone from another student.

All electronic devices should be kept on Silent Mode. Not complying with this rule will result in disciplinary action.

Students are allowed to use electronics in the hallways and cafeteria freely as long as they abide by the rules above.

Electronic privileges can be revoked if students do not respect the policies and procedures in place.

Electronics Policy - continued

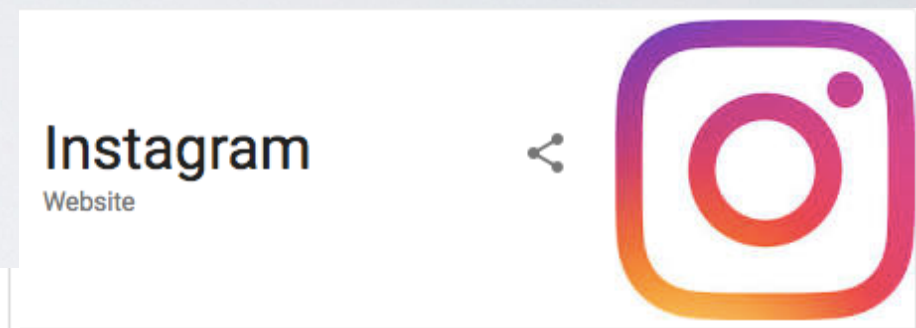

There is absolutely no use of electronics allowed in any restrooms or locker rooms. Electronics should be put away at all times.

Taking of pictures or videos is not allowed on campus unless authorized by your teacher for educational purposes.

Making phone calls is prohibited from the moment you come on campus to the moment you leave without explicit permission from a school staff member.

If you need to use a phone, go to the front office or get permission first!

Does your student have ANY of the Following Apps on their phone?

Our Recommendation is that students NOT be allowed to download apps without parent permission and that parents should be the only ones with the password to the android/apple/google store!

Student Supplies

Please remember that we don't have lockers for the students. *Students will carry all their supplies, books, and belongings all day to each of their classes.*

Therefore, always consider trying to buy the lightest and least bulky products to save space and weight in your child's backpack.

As well, please always make sure to provide your student with basic materials such as:

- Pens/Pencils
- Paper
- Folders
- Binders/Notebooks

CSRMS is a Bully-Free School

Bullying is repeated unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance.

If bullied, the following steps will be taken:

- Student reports to adult at school.

- School investigates (speak with students).

- Staff Documents to track patterns of behavior.

- Staff Implements appropriate intervention.

If continues:

- Contact parents -Involve Corporal and various staff support services

- No Contact Agreement is established

If still continues:

- Review patterns of behavior, contact both parents

- Involve Corporal and various staff support services

- More serious consequences are given to terminate this behavior

**The most important rule of thumb is: If we don't know, we cant help!
Don't be afraid to end bullying, tell an adult anytime you or someone
you know is dealing with this situation and you can help stop bullying!**

CAR TRANSPORTATION

- drop-offs begin at **7:05 am**
- parents pull up to the **front** of the Car Loop for **loading & unloading**
