## Graduation Enhancement Program Student Support & Assistance Program (SSAP)

8/18/20

Dear Parent/Guardian of \_\_\_\_\_ (Student #: \_\_\_\_\_)

In an effort to help students succeed in school and to provide the best educational experience possible, Pasco County Schools provides a variety of Graduation Enhancement Programs. Your child has been selected to receive support services through the Student Support & Assistance Program (SSAP).

This is a voluntary program, funded through Graduation Enhancement (Dropout Prevention) that offers opportunities for additional support in the areas of academics, attendance and engagement. Your child will continue to attend his/her regularly scheduled classes unless otherwise notified of the need for course recovery.

I have read the above information and understand the program objectives. I agree with my child's placement in the SSAP program for the 2020-2021 school year.

Date of Meeting with Parent/Guardian: \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_

Date Letter Signed: \_\_\_\_\_

Sincerely,

Mr. E.J. Doychak  
SSAP
