

¡Bienvenidos a la clase de español!

Ms. Ramos

Spanish 1

In Spanish 1 → students will use the following
5 National Standards for Foreign Language Learning:

Communication- expressing feelings and emotions, discussing what just happened, describing the weather, talking on the phone, stating preferences.

Cultures- learning about leisure activities, history, geography, wildlife, and important people from different Spanish speaking countries.

Connections- connecting to music, dance, and science concepts.

Comparisons- comparing music, dance, sports traditions, and tourist attractions of different countries.

Communities- using Spanish for personal interest and to help others.

With the completion of Spanish 1 → students will earn
high school credit.
