What is blended learning?

Blended learning is a model where a the traditional face-to-face instruction is replaced by web-based online learning with teacher facilitation.

SOAR Philosophy

The SOAR Academy will provide an authentic self-paced learning experience for your child that fuses face-to-face interaction and collaboration with an online learning environment. By uniting these ideas, the students will receive a multifaceted education that helps prepare them to SOAR through life in the 21st Century.
