

Charles S. Rushe Middle School

Welcome to Mrs. Ely's Math Class 2021-2022

Dear Parents and Guardians,

Welcome! I want to take this opportunity to introduce myself and express my excitement about working with your child this year. This will be my 6th year teaching in Pasco County. My husband and I have one child who is about to be 2 years old. I understand the hectic schedules that most of us keep; balancing work, family, and after school activities. Therefore, weekly homework assignments will consist of meaningful activities for students. I have high expectations for your child and I will do all that I can to help them excel in 6th grade math. I am looking forward to a very successful year and I know you are too. Thank you for allowing me the opportunity to work with your child this school year. Should you have any questions or concerns, please don't hesitate to call or e-mail me.

Sincerely,
Stefanie Ely

Per Board Policy- 2240 - CONTROVERSIAL ISSUES

The Board recognizes that a course of study or certain instructional materials may contain content and/or activities that some parents find objectionable. If after careful, personal review of the program lessons and/or materials, a parent indicates to the school that either the content or the activity conflicts with his religious beliefs or value system, the school will consider a written request for his child to be excused from a particular class for specified reasons. The student, however, will not be excused from participating in the course and will be provided alternate learning activities during times of such parent requested absences.
